Nothing in this Investment Agreement will be deemed to create an employment relationship between Alberta Innovates and the Associate.

ARTICLE 5 REPORTING REQUIREMENTS

5.1 Terms and Conditions

All payments of the Investment are subject to the Terms and Conditions. Alberta Innovates may refuse to approve a Final Report, or request changes to such report, as determined in its sole discretion upon written notice to the Applicant advising of the reason for refusing approval and/or requesting a change.

5.2 Reporting Obligations During the Project

Alberta Innovates is a Provincial (Crown) Corporation. It is owned by the Government of Alberta. One of Alberta Innovates primary mandates is to support the development and commercialization of new and innovative technologies for the benefit of Alberta and Albertans. In doing so, Alberta Innovates invests public dollars to support the projects it funds. For that reason, Alberta Innovates is required to report to the Government of Alberta on its use of grant funding, to ensure Alberta Innovates mission and mandate are being achieved.

Regular Applicant reporting is a requirement, both during the Term and afterward. The Applicant and the Associate are required to submit a Final Report at least twenty (20) Business Days prior to the Project Completion Date. The Final Report will be provided by Alberta Innovates. This template will clearly differentiate between sections that are considered confidential (and can only be disclosed to the Government of Alberta but to no other party), versus portions that are considered non-confidential and can be disclosed in the public domain. For clarity, the Final Report may be disclosed to the Government of Alberta in its entirety, on a strictly confidential basis.

The Final Report is intended to provide a high level summary of the Project. It allows Alberta Innovates to compare the actual results achieved to key performance indicators set at the outset of the Project, and to gauge whether the Project was successful. The Final Report may also be used to report to the Government of Alberta. Alberta Innovates will not publish the non-confidential portion of the Final Report in the public domain for six (6) months following the Project Completion Date. If this period is not sufficient for the Applicant to protect its Intellectual Property, or to publish its results in an academic journal or trade industry publication, the Applicant may request a further six (6) month period.

5.3 Annual Surveys

The Applicant further agrees to complete an annual survey in a format to be provided by Alberta Innovates, both during the Term of the Project and for five (5) years thereafter. The information contained within these surveys may be disclosed to third parties or published in the public domain without further notice to the Applicant, provided that prior to such disclosure Alberta Innovates will aggregate such information by removing any identifying particulars of the Applicant. All such information is deemed to be non-confidential for all of Alberta Innovates' purposes and the Applicant agrees to provide such information when requested by Alberta Innovates for five (5) years after the Project Completion Date. Failure to complete the annual surveys may result in the Applicant being ineligible for future funding from Alberta Innovates.

ARTICLE 6 CHANGES TO THE PROJECT**6.1 Changes and Review Procedure**

Alberta Innovates expects the Applicant and Associate to set reasonable start and completion dates for the Project. Should an unforeseen circumstance arise whereby it is not possible to meet the deliverables as set out in Schedule C and employment contract, the Applicant and the Associate may request an amendment to the Investment Agreement by contacting Alberta Innovates' representative set out in ARTICLE 7 below. Changes may include, but are not limited to, the following: (i) an increase or decrease in the Investment associated with the Project as a whole due to the departure of the Associate for any reason; (ii) illness or other leave of absence of the Associate; (iv) a Change in Control of the Applicant; or (v) any other changes as determined by Alberta Innovates. Upon review of the request, Alberta Innovates may, at its sole and unfettered discretion, approve, decline or request further information concerning the change. Should a change be approved by Alberta Innovates, the remainder of the Investment Agreement shall remain in full force and effect unamended. Depending on the nature of the change, Alberta Innovates may require the Parties to execute an amendment to the Investment Agreement or by notice to all Parties that a new Work Plan & Budget Table has been approved. If the requested change is declined, the Applicant and Associate may either elect to proceed with the Project as previously approved by Alberta Innovates, or terminate the Investment Agreement, in which case no further payments from the Investment will be provided.

6.2 Cumulative Changes in Excess of Twelve Months

For clarity, any changes over the Term of the Project that result in more than a twelve (12) month extension from the original Project Completion Date will not be approved by Alberta Innovates. Should such changes delay the Project Completion Date for more than twelve (12) months from the initial Project Completion Date, all funding from Alberta Innovates shall cease on the day after the one year anniversary of the original Project Completion Date, unless otherwise approved by Alberta Innovates in writing.

SCHEDULE A – TERMS AND CONDITIONS**THE FOLLOWING LEGAL TERMS AND CONDITIONS ARE INCORPORATED INTO AND FORM PART OF THE INVESTMENT AGREEMENT. PLEASE REVIEW THESE TERMS CAREFULLY.****1. Conditions of Payment**

Alberta Innovates' obligation to pay the Investment, or any portion or instalment thereof, is conditional on:

- (a) the Applicant and the Associate at all times being in compliance with the Investment Agreement;
- (b) the Project progressing as set out in ARTICLE 5 - REPORTING REQUIREMENTS above;
- (c) the Project being completed by the Project Completion Date;
- (d) the Contribution to carry out and complete the Project remaining in place and being applied in accordance with ARTICLE 3 – Investment by Alberta Innovates, Contribution of the Applicant;
- (e) timely completion of all Reports as required.

2. Alberta Innovates' Right to Terminate Funding

Notwithstanding any other term of this Investment Agreement, Alberta Innovates may terminate its obligations under this Investment Agreement immediately or at any time during the Term in the event the Government of Alberta at any time suspends, revokes, reduces or terminates funding to Alberta Innovates. In such event this Investment Agreement shall terminate immediately subject to the obligation of the Applicant and Associate to provide a summary Report as set out below. Alberta Innovates will notify the Applicant and Associate of such suspension as soon as is reasonably practicable.

Notwithstanding any other terms of this Investment Agreement, Alberta Innovates may terminate this Investment Agreement at any time without cause on thirty (30) days' written notice to the Applicant and Associate, and Alberta Innovates' obligation to make any further payments of the Investment shall cease upon delivery of such notice.

Alberta Innovates additionally has the right to unilaterally terminate the Investment for any Project that incurs a Default or a Change of Control. However, Alberta Innovates will not terminate the Investment in the case of a Change of Control where:

- (a) the Applicant continues to satisfy the minimum requirements to be eligible for the Program; and
- (b) Alberta Innovates, the Applicant, the Associate and the new entity execute an assignment and novation agreement whereby the original Applicant or Associate as the case may be agrees to assign its rights to the new entity, and the new entity assumes all obligations under the Investment Agreement and Alberta Innovates consents to such assignment and assumption.

In the event of early termination as aforesaid, the Applicant and Associate will not be obligated to deliver the Final Report, but will provide to Alberta Innovates a Progress Report summarizing the outcomes of the Project up to the effective date of such termination, such report to be delivered not later than ninety (90) days from the date of termination.

3. Termination of the Project for Delay

If the Applicant suspends or delays the Project for any reason whatsoever for a period in excess of twelve (12) months, or for periods which in the aggregate exceed twelve (12) months during the Term of the Project, then Alberta Innovates may terminate this Investment Agreement immediately upon notice to the Applicant and Associate, in which case Alberta Innovates will have no further payment obligation. If any one of the Applicant or the Associate terminates their part of the Project for any reason prior to the Project Completion Date, Alberta Innovates must be notified immediately. Nothing will excuse the Applicant and Associate from providing a Final Report summarizing the outcomes of the Project up to such date of termination.

4. Repayment of the Investment

Alberta Innovates has the right to require the Applicant to repay to Alberta Innovates any portions of the Investment paid to the Applicant where:

- (a) the Applicant or the Associate fail to comply with all reporting requirements set out in this Investment Agreement;
- (b) the Applicant or the Associate terminate their portion of the Project prior to the Project Completion Date; or
- (c) the Applicant or Associate incurs a Default.

INVESTMENT AGREEMENT

(Industry r&D Associates and Industry Commercialization Programs)

In any of these instances, any amount of the Investment already advanced to the Applicant shall constitute a debt owed by the Applicant to Alberta Innovates on a dollar for dollar basis, together with interest, which shall accumulate from and after the date of notice of termination from Alberta Innovates at the prime rate for commercial loans fixed by the Royal Bank of Canada at that date, plus 3%. Such debt plus accrued interest is due and payable within forty-five (45) days of Alberta Innovates delivering the notice of termination.

For clarity, Alberta Innovates will not require the Applicant to repay portions of the Investment where a Milestone could not be completed, or one of the desired outcomes of the Project was not achieved, despite the best efforts of the Applicant. Alberta Innovates acknowledges that unforeseen technical issues and other delays may occur which are outside the Applicant's reasonable control, and for that reason the Applicant is offered the opportunity to request an amendment to this Investment Agreement, per the procedure set out in Article 6.1 above – Changes and Review Procedure. Alberta Innovates may however require the Applicant to repay all or a portion of the Investment in any of the circumstances listed above where there is evidence of misuse of the Investment, a serious breach or Default, or other egregious behaviour on the part of the Applicant or the Associate, as determined by Alberta Innovates in its sole discretion.

5. Intellectual Property

Alberta Innovates makes no claim to any Intellectual Property generated as a result of its Investment in the Project. The Applicant acknowledges the importance to Alberta Innovates that any Intellectual Property that may be generated through the Project be used to the benefit of Alberta and Albertans. Ownership of any Intellectual Property developed through the Project will follow the practices of the Applicant and agreement(s) to which the Applicant is a party, and a copy of such agreement must be provided to Alberta Innovates as proof of compliance with this requirement upon request, and on a strictly confidential basis.

The Applicant and Associate agree to provide Alberta Innovates' authorized agents with all such assistance as may be reasonably required during such inspection. For clarity, such right of inspection shall be limited to the purpose of ascertaining whether this Investment Agreement has been complied with, and Alberta Innovates will not have any general right to obtain custody or copies of the records of the Applicant except as contemplated by this section.
