**1.2 Definitions**

For ease of reference, a list of defined terms is included in **Schedule B**.

## ARTICLE 2 PROJECT START AND COMPLETION DATES

### 2.1 Project

The Applicant agrees to undertake the Project as described in its Application, a copy of which is attached as **Schedule C**, including achieving the Milestones as required by Section 4.2 below.

### 2.2 Project Start Date

It is agreed between the Parties that the Project Start Date is **APRIL 1ST, 2021**.

### 2.3 Project Completion Date

It is agreed between the Parties that the Project Completion Date is **MARCH 31ST, 2022**. If the Project is not completed by such date then, subject to an amendment agreed to between the Parties, Alberta Innovates may elect to terminate this Investment Agreement. In such event, Alberta Innovates will notify the Applicant of its decision to terminate as soon as reasonably practical and shall advise the Applicant of the effective date of termination. Alberta Innovates will have no liability or obligation to reimburse the Applicant for any Project Costs incurred after the effective date of termination and may require the Applicant to return any portions of the Investment which were spent on Ineligible Expenses. Additionally, any portion of the Investment not used and accounted for in accordance with this Agreement as of the Project Completion Date or earlier termination is repayable by the Applicant to Alberta Innovates at Alberta Innovates' request.

### 2.4 Effective Date of this Investment Agreement

The effective date of this Investment Agreement shall be the Project Start Date.

### 2.5 Term of this Investment Agreement

The Term of this Investment Agreement shall start on the Project Start Date and end on the later of: (i) the date Alberta Innovates pays the final portion of the Investment; (ii) the date the Project, as described in the Application, is completed; or (iii) the date Alberta Innovates communicates its receipt and acceptance of the Final Report to the Applicant.

## ARTICLE 3 INVESTMENT BY ALBERTA INNOVATES, CONTRIBUTIONS OF THE APPLICANT

### 3.1 Investment by Alberta Innovates

Subject to the Terms and Conditions of this Investment Agreement, Alberta Innovates agrees to provide the Applicant with a contribution to the Project (the "Investment") not exceeding \$ 100 Canadian dollars in accordance with the payment schedule as set out in **Schedule D**. Notwithstanding the generality of the foregoing, Alberta Innovates reserves the right to withhold payment of any portion of the Investment if the Applicant incurs a debt to Alberta Innovates, or its affiliates Innotech Alberta Inc. or C-FER Technologies (1999) Inc.

If the total Project Costs decrease, Alberta Innovates may elect to adjust its Investment pro-rata in accordance with such decrease. Alberta Innovates shall pay the Investment to the Applicant in the amounts

and at the times specified in **Schedule D**.

### 3.2 Milestone Payments

The Investment will be paid over time in accordance with the critical Milestones as set out in **Schedule D**. A Project may have one or more Milestones, to a maximum of six (6), to be disbursed throughout the Term of this Investment Agreement, unless an extension is agreed to by the Parties. Upon completion of a Milestone, the Applicant is required to submit a Progress Report or Final Report (as the case may be) to Alberta Innovates. If a payment of the Investment is indicated in **Schedule D** at the Project Start Date, this amount must be spent in full by the Milestone 1 End Date, and the Applicant shall detail all expenditures related to such funds in the Progress Report due on the completion of Milestone 1.

### 3.3 Milestones Generally

Milestones may overlap, but Alberta Innovates will not review more than one Progress Report or issue more than one payment per calendar month.

### 3.4 Interest and Investment

The Applicant shall invest any portion of the Investment paid to the Applicant but not immediately required for the Project, in such a manner that the interest rate or other rate of return will be readily ascertainable.

### 3.5 In-Kind Contributions

For clarity, In-Kind contributions will only be recognized as eligible when the costs incurred by the Applicant are incidental to its ordinary course of business, directly attributable to the Project and easily auditable.

### 3.6 Contributions by the Applicant

The Applicant must apply, pay and deliver their Contribution as set out in **Schedule D**.

### 3.7 Eligible and Ineligible Expenses

The Investment shall only be applied towards Eligible Expenses pursuant to the terms of this Investment Agreement. Guidance concerning what constitutes an “Eligible Expense” versus an “Ineligible Expense” is provided under the definitions of those terms in **Schedule B**. It is a condition of the Investment that Alberta Innovates has the right to require the Applicant to repay to Alberta Innovates any portions of the Investment which were used to cover Ineligible Expenses, and such amount shall constitute a debt immediately owing and repayable on demand by the Applicant to Alberta Innovates.

### 3.8 Stacking Limit

The maximum level of total government assistance (whether from federal, provincial/territorial, and/or municipal departments, governmental agencies or Crown corporations) cannot exceed seventy-five (75%) percent of the total Project Costs (the “Stacking Limit”). At times where the total government assistance to the Applicant exceeds the Stacking Limit, Alberta Innovates reserves the right to unilaterally and without notice reduce its investment such that the Stacking Limit is not exceeded.

### 3.9 Monitoring Stacking Limit

For the purposes of monitoring the Stacking Limit, the Applicant has an ongoing obligation to disclose all sources of governmental financial assistance mentioned in 3.8 above throughout the Term of this Investment Agreement and to that end the Applicant agrees to disclose to Alberta Innovates any governmental assistance received subsequent to making its disclosure in the Application.

## ARTICLE 4 MILESTONE, REPORTING AND PAYMENT TIMELINES

### 4.1 Terms and Conditions

All Milestone Payments are subject to the Terms and Conditions. Alberta Innovates will pay and deliver the Investment to the Applicant at the times identified in **Schedule D** upon completion of the particular Milestone, and Alberta Innovates' written approval of the completed Progress Report or Final Report, as the case may be. Alberta Innovates may refuse to approve a Progress Report or Final Report, or request changes to such report, as determined in its sole discretion upon written notice to the Applicant advising of the reason for refusing approval and/or requesting a change.

### 4.2 Milestone, Reporting, and Payment Timelines

The Milestone, Reporting, and Payment Timelines are set out in **Schedule D**.

### 4.3 Reporting Obligations During the Project

Alberta Innovates is a Provincial (Crown) Corporation. It is owned by the Government of Alberta. One of Alberta Innovates primary mandates is to support the development and commercialization of new and innovative technologies for the benefit of Alberta and Albertans. In doing so, Alberta Innovates invests public dollars to support the projects it funds. For that reason, Alberta Innovates is required to report to the Government of Alberta on its use of grant funding, to ensure Alberta Innovates mission and mandate are being achieved.

Regular Applicant reporting is a requirement, both during the Term and afterward. Upon the completion of a Milestone (as set out in **Schedule D**) the Applicant is required to submit a Progress Report in the form provided by Alberta Innovates. These Progress Reports are required to be submitted within fourteen (14) days of the completion of the given Milestone. If the Applicant does not provide a Milestone Report as required, this will be considered a default and Alberta Innovates may withhold payment of any portion of the Investment associated with that Milestone.

For the final Milestone of the Project, the Applicant will provide Alberta Innovates with a Final Report within thirty (30) days of the Project Completion Date. All Report templates (both for Milestone Reports and Final Reports) will be provided by Alberta Innovates. These templates will clearly differentiate between sections that are considered confidential (and can only be disclosed to the Government of Alberta but to no other party), versus portions that are considered non-confidential and can be disclosed in the public domain. For clarity, all Reports (both Milestone Reports and the Final Report) may be disclosed to the Government of Alberta in their entirety, on a strictly confidential basis.

The Final Report is intended to provide a high level summary of the Project. It allows Alberta Innovates to compare the actual results achieved to key performance indicators set at the outset of the Project, and to gauge whether the Project was successful. The Final Report may also be used to report to the Government of Alberta. Alberta Innovates will not publish the non-confidential portion of the Final Report in the public domain for six (6) months following the Project Completion Date. If this period is not sufficient for the Applicant to protect its Intellectual Property, or to publish its results in an academic journal or trade industry publication, the Applicant may request a further six (6) month extension. Alberta Innovates will not unreasonably withhold or delay its consent to such a request.

#### 4.4 Annual Surveys

The Applicant further agrees to complete an annual survey in a format to be provided by Alberta Innovates, both during the Term of the Project and for five (5) years thereafter. The information contained within these surveys may be disclosed to third parties or published in the public domain without further notice to the Applicant, provided that prior to such disclosure Alberta Innovates will aggregate such information by removing any identifying particulars of the Applicant. All such information is deemed to be non-confidential for all of Alberta Innovates' purposes and the Applicant agrees to provide such information when requested by Alberta Innovates for five (5) years after the Project Completion Date. Failure to complete the annual surveys may result in the Applicant being ineligible for future funding from Alberta Innovates.

### ARTICLE 5 CHANGES TO THE PROJECT

#### 5.1 Changes and Review Procedure

Alberta Innovates expects the Applicant to set reasonable Milestone start and completion dates, anticipating times during the Term of the Project when setbacks or unavoidable delays may occur. Should an unforeseen circumstance arise whereby it is not possible to meet the deliverables set out in a particular Milestone, the Applicant may request an amendment to the Investment Agreement by contacting Alberta Innovates' representative set out in ARTICLE 6 below no later than two (2) weeks prior to the next Milestone completion date. Changes may include, but are not limited to, the following: (i) an increase or decrease in the Investment associated with a particular Milestone, or the Project as a whole; (ii) a proposed change in the scope of the Project; (iii) a delay in the completion of a Milestone, irrespective of any impact on the Project Completion Date; (iv) a Change in Control of the Applicant; or (v) any other changes as determined by Alberta Innovates. Upon review of the request, Alberta Innovates may, at its sole and unfettered discretion, approve, decline or request further information concerning the change. Should a change be approved by Alberta Innovates, the remainder of the Investment Agreement shall remain in full force and effect unamended. Depending on the nature of the change, Alberta Innovates may require the Parties to execute an amendment to the Investment Agreement or by notice to all Parties that a new Milestone, Reporting & Payment **Schedule D** has been approved. If the requested change is declined, the Applicant may either elect to proceed with the Project as previously approved by Alberta Innovates or terminate the Investment Agreement, in which case no further payments from the Investment will be provided.

#### 5.2 Cumulative Changes in Excess of Twelve Months

For clarity, any changes over the Term of the Project that result in more than a twelve (12) month extension from the original Project Completion Date will not be approved by Alberta Innovates. Should such changes delay the Project Completion Date for more than twelve (12) months from the initial Project Completion Date,

all funding from Alberta Innovates shall cease on the day after the one year anniversary of the original Project Completion Date, unless otherwise approved by Alberta Innovates in writing.

## SCHEDULE A – TERMS AND CONDITIONS

### THE FOLLOWING LEGAL TERMS AND CONDITIONS ARE INCORPORATED INTO AND FORM PART OF THE INVESTMENT AGREEMENT. PLEASE REVIEW THESE TERMS CAREFULLY.

#### 1. Conditions of Payment

Alberta Innovates' obligation to pay the Investment, or any portion or instalment thereof, is conditional on:

- (a) the Applicant at all times being in compliance with the Investment Agreement;
- (b) the Project progressing as set out in Article 4 - MILESTONE, REPORTING AND PAYMENT TIMELINES above;
- (c) the Project being completed by the Project Completion Date;
- (d) the Contribution to carry out and complete the Project remaining in place and being applied in accordance with Article 4 - MILESTONE, REPORTING AND PAYMENT TIMELINES;
- (e) timely completion of all Reports as required.

#### 2. Use of Sub-Contractors

It is understood that the Applicant may require the use of another entity as a Sub-Contractor in order to adequately complete the Project. Where such Sub-Contractors are utilized, a collaboration letter, contract or agreement between the Applicant and the Sub-Contractor(s) must be in place prior to the Applicant proceeding with the Milestone which requires assistance from the Sub-Contractor, and a copy of the same will be provided to Alberta Innovates upon request, and on a strictly confidential basis. The Applicant shall be solely responsible for all work, acts, defaults any liabilities of any Sub-Contractor(s) so engaged and agree to release Alberta Innovates from all liability in respect of same.

#### 3. Alberta Innovates' Right to Terminate Funding

Notwithstanding any other term of this Investment Agreement, Alberta Innovates may terminate its obligations under this Investment Agreement immediately or at any time during the term in the event the Government of Alberta at any time suspends, revokes, reduces or terminates funding to Alberta Innovates. In such event this Investment Agreement shall terminate immediately subject to the obligation of the Applicant to provide a summary Report as set out below. Alberta Innovates will notify the Applicant of such suspension as soon as is reasonably practicable.

Notwithstanding any other terms of this Investment Agreement, Alberta Innovates may terminate this Investment Agreement at any time without cause on thirty (30) days' written notice to the Applicant, and Alberta Innovates' obligation to make any further payments of the Investment shall cease upon delivery of such notice.

Alberta Innovates additionally has the right to unilaterally terminate the Investment for any Project that incurs a Default or a Change of Control. However, Alberta Innovates will not terminate the Investment in the case of a Change of Control where:

- (a) the Applicant continues to satisfy the minimum requirements to be eligible for the Program; and
- (b) Alberta Innovates, the Applicant, and the new entity execute an assignment and novation agreement whereby the original Applicant agrees to assign its rights to the new entity, and the new entity assumes all obligations under the Investment Agreement and Alberta Innovates consent to such assignment and assumption.

In the even of early termination as aforesaid, the Applicant will not be obligated to deliver the Final Report, but will provide to Alberta Innovates a Progress Report summarizing the outcomes of the Project up to the effective date of such termination, such report to be delivered not later than ninety (90) days from the date of termination.

#### 4. Termination of the Project for Delay

If the Applicant suspends or delays the Project for any reason whatsoever for a period in excess of one (1) year, or for periods which in the aggregate exceed twelve (12) months during the term of the Project, then Alberta Innovates may terminate this Investment Agreement immediately upon notice to the Applicant, in which case Alberta Innovates will have no further payment obligation. If the Applicant terminates its part of the Project for any reason prior to the Project Completion Date, Alberta Innovates must be notified immediately. Nothing will excuse the Applicant from providing a Progress Report summarizing the outcomes of the Project up to such date of termination.

Upon receipt of notice of termination except for reason of Default, the Applicant shall be entitled to be reimbursed for actual costs legally incurred prior to the date of termination, including all direct costs incurred in winding down the Project, which such reasonable costs will include actual non-cancellable, legal commitments made by the Applicant, as confirmed and approved by Alberta Innovates. The Applicant will use reasonable efforts to ensure that any financial commitments made by the Applicant during this Investment Agreement which can be terminated be terminated immediately upon receipt of notice of termination to ensure the liabilities created pursuant to this Investment Agreement are reduced to a minimum.

## 5. Repayment of the Investment

Alberta Innovates has the right to require the Applicant to repay any portions of the Investment paid to the Applicant where:

- (a) the Applicant fails to comply with all reporting requirements set out in this Investment Agreement;
- (b) the Project is terminated by the Applicant prior to the Project Completion Date; or
- (c) the Applicant incurs a Default.

In any of these instances, any amount of the Investment already advanced to the Applicant shall constitute a debt owed by the Applicant to Alberta Innovates on a dollar for dollar basis, together with interest, which shall accumulate from and after the date of notice of termination from Alberta Innovates at the prime rate for commercial loans fixed by the Royal Bank of Canada at that date, plus 3%. Such debt plus accrued interest is due and payable within forty-five (45) days of Alberta Innovates delivering the notice of termination.

For clarity, Alberta Innovates will not require the Applicant to repay portions of the Investment where a Milestone could not be completed, or one of the desired outcomes of the Project was not achieved, despite the best efforts of the Applicant. Alberta Innovates acknowledges that unforeseen technical issues and other delays may occur which are outside the Applicant's reasonable control, and for that reason the Applicant is offered the opportunity to request an amendment to this Investment Agreement, per the procedure set out in Article 5.1 above – Changes and Review Procedure. Alberta Innovates may however require the Applicant to repay all or a portion of the Investment in any of the circumstances listed above where there is evidence of misuse of the Investment, a serious breach or Default, or other egregious behaviour on the part of the Applicant, as determined by Alberta Innovates in its sole discretion.

## 6. Intellectual Property

Alberta Innovates makes no claim to any Intellectual Property generated as a result of its Investment in the Project. The Applicant acknowledges the importance to Alberta Innovates that any Intellectual Property that may be generated through the Project be used to the benefit of Alberta and Albertans. Ownership of any Intellectual Property developed through the Project will follow the practices of the Applicant and agreement(s) to which the Applicant is a party, and a copy of such agreement must be provided to Alberta Innovates as proof of compliance with this requirement prior to execution of this Investment Agreement.

## 7. Representations and Warranties

Alberta Innovates represents and warrants that:

- (a) it is a Provincial research and innovation corporation established pursuant to the laws of Alberta and is in good standing under the laws of such jurisdiction;
- (b) it has all necessary power and authority to enter into, deliver, and perform its obligations under this Investment Agreement and all necessary action has been taken to approve this Investment Agreement and the transactions contemplated herein; and
- (c) the entering into and performance of this Investment Agreement does not violate or breach any other agreement to which Alberta Innovates is a party, or any of its constating documents.

## 8. Representations of the Applicant

The Applicant represents and warrants that, both at the time of signing this Investment Agreement and throughout the Term:

- (a) all information contained in the Application, together with any other documentation provided to Alberta Innovates in relation to the Project is accurate and complete and will remain so in all material respects during the term of this Investment Agreement;
- (b) it has made full, true and plain disclosure of all facts relevant to the Project and its commitments under this Investment Agreement and will comply with same throughout the term, including specifically any ongoing disclosure and reporting obligations;
- (c) it has all necessary power and authority to execute, deliver and perform its obligations under this Investment Agreement and all necessary action has been taken by it to approve this Investment Agreement and the transactions contemplated hereby;
- (d) the entering into and performance of this Investment Agreement does not violate or breach any other agreement to which it is a party or any of its constating documents, and that throughout the Project it will remain an eligible entity under the guidelines set out in the Program Guide;
- (e) it will ensure that the individuals named in the Project who are employees or contractors of the Applicant will be assigned to or otherwise enabled to perform their respective roles in the Project;
- (f) it will complete the Project in accordance with Schedule D and the Application;
- (g) it will only use the Investment solely for Eligible Expenses related to the Project;
- (h) it will not change the Project in any way from what is set out in the Application without the prior written consent of Alberta Innovates, which consent may be withheld for any reason; and
- (i) it will properly account for, collect, and remit to the appropriate taxing authorities all taxes incurred in undertaking the Project, including but not limited to any GST.

## 9. Records, Reporting and Monitoring

During the Term and for a period of five (5) years thereafter, the Applicant shall maintain or cause to be maintained full, accurate and complete records of the activities conducted in furtherance of, and the results achieved through the conduct of the Project, including without limitation full, accurate and complete records and books of account relating to the receipt and expenditure of the Investment. The Applicant acknowledges that certain records required to be maintained under this Investment Agreement may be subject to the protection and access provisions of the Freedom of Information and Protection of Privacy Act (Alberta) (FOIP). Alberta Innovates may, from time to time, upon reasonable prior notice to the Applicant, audit or examine the records or books of account to be maintained in accordance with this section. The costs of any such audit, examination or report shall be paid by Alberta Innovates unless such audit, examination or report reveals a breach of this Investment Agreement or a failure by the Applicant to maintain proper records as required by this section, in which case the costs shall be paid by the Applicant.

Alberta Innovates shall be entitled, at reasonable times and upon reasonable prior notice to the Applicant to have their authorized agents attend at the premises of the Applicant or the location where the Project is being carried out for the purposes of examining the files, documents, records and other assets pertaining to the Project, or to assess whether the Applicant are complying with the terms of this Investment Agreement. The Applicant agrees to provide Alberta Innovates' authorized agents with all such assistance as may be reasonably required during such inspection. For clarity, such right of inspection shall be limited to the purpose of ascertaining whether this Investment Agreement has been complied with, and Alberta Innovates will not have any general right to obtain custody or copies of the records of the Applicant except as contemplated by this section.

## 10. Forms

The Applicant agrees to use Alberta Innovates' standard form documents found on the Alberta Innovates website, and other forms or reporting templates which may be provided by Alberta Innovates from time to time during the course of completing and reporting on the Project. Alberta Innovates may update or amend its standard forms from time to time without notice to the Applicant. Accordingly, the Applicant is encouraged to access the particular form from Alberta Innovates' website at the time it is required in order to ensure the most current version of the form is used.

## 11. Publications and Public Messaging

All publications, presentations and public messages concerning the Investment or the Project must acknowledge the contribution of Alberta Innovates, the Ministry of Jobs, Economy and Innovation, and the Government of Alberta, where applicable, and be provided to Alberta Innovates in draft form for review to ensure appropriate acknowledgement is included in accordance with this Section 11, such confirmation to be received no later than ten (10) Business Days from the date of the request. Use of the full legal name 'Alberta Innovates' is required, rather than 'AI' or a similar acronym. Such approvals shall not be unreasonably withheld. Alberta Innovates' financial support or investment in a Project in no way constitutes an endorsement of the Project or the Applicant, and any suggestion or statement that Alberta Innovates endorses or approves of a Project or a party involved in the Project is strictly prohibited and may result in termination of this Investment Agreement by Alberta Innovates.

## 12. Non-Confidential Information and Publication of Non-Confidential Information

In accordance with ARTICLE 4, the Applicant acknowledges and agrees that, as a public body, Alberta Innovates is required to report on and promote the success of innovation initiatives within the Province of Alberta. Accordingly, Alberta Innovates may publish and/or disseminate in the public domain certain information about the Project contained in the Application, the Progress and Final Reports, and/or annual surveys, but only where such information is explicitly marked as 'non-confidential'. Alberta Innovates may also use and disclose the Final Report in accordance with the terms of ARTICLE 4.3.

## 13. Freedom of Information (FOIP)

Alberta Innovates is governed by FOIP. This means Alberta Innovates may be asked to disclose the information received under this Investment Agreement, or other information delivered to Alberta Innovates in relation to the Project, when an access request is made by anyone in the general public.

In the event an access request is received by Alberta Innovates, exceptions to disclosure within FOIP may apply. If an exception to disclosure applies, certain information may be withheld from disclosure. The Applicant is encouraged to familiarize itself with FOIP. Information regarding FOIP can be found at <http://www.servicealberta.ca/foip/>.

## 14. Liability and Indemnities

Alberta Innovates shall not be liable in any way whatsoever to the Applicant or any of its directors, officers, employees, agents, personal legal representatives and/or heirs for any losses, damages or claims, including but not limited to indirect, incidental, consequential, or special damages or any loss of profits, loss of business opportunity, loss of revenue, or any other loss or injury suffered or arising in any way whatsoever in the course of the Project, whether arising before or after submitting an Application or entering into the Investment Agreement with Alberta Innovates.

The Applicant agrees to indemnify, defend and hold harmless Alberta Innovates, its directors, officers, employees and agents against and from any and all third party claims, demands, actions and costs whatsoever (including legal costs on a solicitor and his own client full-indemnity basis) that may arise directly or indirectly out of any act or omission of the Applicant, or any of its directors, officers, employees, contractors, agents or legal representatives or the negligence or tortious act or willful misconduct of the Applicant or any of its directors, officers, employees, contractors, agents or legal representatives in relation to their obligations under this Investment Agreement.

Further and without limiting the generality of the foregoing, in the event that any taxing authority, for whatever reason, seeks payment of any taxes from Alberta Innovates in respect of this Agreement, the Applicant agrees to indemnify Alberta Innovates from any such payments, including any fines, interest, or penalties related thereto, and the Applicant further agrees that Alberta Innovates may set off an amount equal to any such taxes (including applicable fines, interest and penalties) from any portions of the Investment owing to the Applicant.

This section will survive termination or expiry of this Investment Agreement.

## 15. Insurance

The Applicant shall, at its own expense and without in any way limiting its liabilities herein, insure its operations under a contract of General Liability Insurance, in accordance with the Insurance Act (Alberta), in an amount of not less than \$2,000,000 inclusive per occurrence, insuring against bodily or personal injury and property damage, including the loss of use thereof. Such insurance must be in place before the signing of this Investment Agreement and shall be maintained during the Term. The Applicant acknowledges that no protection is available from Alberta Innovates for any third-party claims pursuant to the Project. The Applicant shall provide a certificate of insurance when requested by Alberta Innovates. Where permitted by its constating documents and bylaws, the Applicant may elect to self-insure its obligations under this section.

## 16. Dispute Resolution

In the event of any dispute regarding the interpretation of any provision of this Investment Agreement, the Parties agree to refer the matter to joint discussion by senior officials of the Applicant and Alberta Innovates. If such senior officials cannot resolve a dispute, the Parties may agree to participate in mediation with a mutually acceptable mediator. Mediation will proceed on the following basis:

- (a) if the Parties cannot agree on a mediator they will ask the President or Executive Director of the Alberta Arbitration and Mediation Society to assist in the selection process;
- (b) the Parties will share the cost of the mediator equally and bear their own costs incurred with respect to the mediation, including but not limited to any legal costs;
- (c) no evidence of anything said or of any admission or communication made in the course of the mediation shall be admissible in any further legal proceedings, except with the consent of all Parties; and
- (d) any resolution reached will be based on the full participation of an agreement between the Parties.

For clarity, nothing in this Investment Agreement shall abrogate Alberta Innovates' rights to seek judicial or equitable relief or to enforce the terms of this Investment Agreement in a court of law.

## 17. No Partnership, Joint Venture or Agency

Nothing in this Investment Agreement shall be deemed to create a partnership, joint venture, association, agency, trust, or employer-employee relationship and no Party shall be authorized to hold itself out or to act as the agent or employee of any other Party for any purpose whatsoever.

## 18. Governing Law

This Investment Agreement shall be governed by the laws of the Province of Alberta and the laws of Canada applicable therein and the Parties hereby irrevocably attorn to the exclusive jurisdiction of the courts of the Province of Alberta for all disputes arising under this Investment Agreement.

## 19. Interpretive Aids

All references to the singular include the plural and vice versa and references to one gender include both genders and gender-neutral parties, where applicable. Derivations of terms or expressions defined herein shall have a corresponding meaning to the defined term or expression. The headings, article and section references appearing in this Investment Agreement are for convenience and ease of reference only and in no way define, limit or describe the scope or intent of this Investment Agreement or any part thereof. All of the provisions of this Investment Agreement shall be construed to be covenants and agreements as though the words specifically expressing covenants or agreements were used in each separate provision hereof. All recitals and schedules to this Investment Agreement are expressly incorporated herein. Any references to a statute include all applicable regulations, all amendments to that statute or applicable regulations and any statute or applicable regulation that supplements or replaces such statutes or applicable regulations, as the case may be. All monetary references are in lawful currency of Canada.

## 20. Assignment

Alberta Innovates may assign its rights under this Investment Agreement to an 'affiliate' (as that term is defined in section 2(1) of the Business Corporations Act (Alberta)) or successor entity on written notice to the Applicant.

## 21. General Terms and Conditions

A waiver of any provision of this Investment Agreement must be in writing and signed by the Party providing the waiver, and is legally binding only in the specific instance and for the specific purpose for which it was given. The failure or delay of any Party to exercise any right under this Investment Agreement does not constitute a waiver of that right. No single or partial exercise of any right will preclude any other or further exercise of that right or the exercise of any other right, and no waiver of any of the provisions of this Investment Agreement will constitute a waiver of any other provision (whether or not similar).

If any provision of this Investment Agreement or its application to any Party or circumstance is determined by a court of competent jurisdiction to be illegal, invalid or unenforceable, it will be ineffective only to the extent of its illegality, invalidity or unenforceability without affecting the validity or the enforceability of the remaining provisions of this Investment Agreement and without affecting its application to the other Parties or circumstances.

This Investment Agreement does not and is not intended to confer any rights or remedies upon any Person other than the Parties. Any third party is not entitled to rely on the provisions of any project document in any action, suit, proceeding, hearing or other forum.

This Investment Agreement, including all schedules hereto, constitutes the entire agreement between the Parties as they relate to the obligations of Alberta Innovates under the Program. This Investment Agreement supersedes all other understandings, agreements and representations with Alberta Innovates. There are no representations, warranties, terms, conditions, covenants or other understandings, express or implied, collateral, statutory or otherwise from Alberta Innovates

that the Parties are relying on in entering into and completing the Project.
