Instructions and Disclaimer

This Application form collects pertinent information about the Investment being requested. This enables Alberta Innovates to assess the merits of the proposed Application and its fit with our strategic priorities and corporate goals. The Applicant must complete the Application in its entirety. Applicants that fail to complete all mandatory sections may not be considered. It is essential that you read and understand the Program Guide before completing this Application. All capitalized words or terms which are not defined within this Application have the respective meaning as set out in the Program Guide or Investment Agreement. In this Application, the term “you” and “Applicant” are used interchangeably.

To complete this Application, move from left to right through the tabs above. If you require assistance in completing your Application, please contact the Alberta Innovates’ representative listed in the Program Guide. If you are unsure who to contact, please email: inbox_grants@albertainnovates.ca.

The Application will be reviewed by experts who are within and potentially outside of Alberta Innovates. These experts will provide their recommendations to Alberta Innovates and Alberta Innovates may, at its sole and absolute discretion, provide constructive feedback to the Applicant based on the expert reviews. At no time will Alberta Innovates disclose information about the reviewers to the Applicant and the Applicant is not entitled to access or review the experts’ recommendations.

It is Alberta Innovates policy that any applications that involve the payment of a contingency fee will be rejected.

Alberta Innovates will use its reasonable efforts to inform the Applicant of the Investment determination made in respect of an Application in a timely fashion. Any failure to inform the Applicant of the Investment determination regarding an Application will not result in any obligation or liability of Alberta Innovates to the Applicant or any other interested party.

Alberta Innovates has sole and unfettered discretion over its funding decisions, including but not limited to the decision to fund or not fund, or the amount, timing, and terms attached to such

funding, and Alberta Innovates owes no duty of reasonableness to the Applicant regarding same. All decisions of Alberta Innovates, including but not limited to the decision to fund or not fund, are final, binding on the Applicant, and non-appealable. Alberta Innovates is not an administrative agency, commission, or tribunal, and as such the Applicant is precluded from seeking judicial review of any decisions of Alberta Innovates arising from its evaluation of this Application. Alberta Innovates receives a large volume of Applications. Accordingly, the Applicant acknowledges and agrees that it may be turned down for funding even if it meets minimum requirements for the program or other eligibility criteria. Alberta Innovates may decline to evaluate the Application at any time for any reason. Alberta Innovates also has the right, as determined in its sole and absolute discretion, to impose a life-time limit on the number of Applications an Applicant may submit.

By submitting this Application, the Applicant agrees to the foregoing and accepts that Alberta Innovates shall have no liability to the Applicant for any losses or damages the Applicant may suffer, sustain, pay or incur arising in any way from its engagement with Alberta Innovates or this Application.

Alberta Innovates will only provide copies of the Application, including any attachments, to the Applicant Representative. Accordingly, any change of the Applicant Representative should be to an individual who has the authority and permission to see the Application and any attachments.

Freedom of Information and Protection of Privacy Act (Alberta) (“FOIP”)

Alberta Innovates is governed by FOIP. This means Alberta Innovates can be compelled to disclose the information received under this Application, or other information delivered to Alberta Innovates in relation to a Project, when an access request is made by anyone in the general public.

In the event an access request is received by Alberta Innovates, exceptions to disclosure within FOIP may apply. If an exception to disclosure applies, certain information may be withheld from disclosure. Applicants are encouraged to familiarize themselves with FOIP. Information regarding FOIP can be found at <http://www.servicealberta.ca/foip/>. Should you have any questions about the collection of this information, you may contact the Manager, Grants Administration Services at: inbox_grants@albertainnovates.ca.

Publication of Non-Confidential and Aggregate Information by Alberta Innovates

Alberta Innovates may (1) publish and/or disseminate in the public domain certain information contained within this Application to promote the innovation activities being supported by Alberta Innovates and/or (2) use certain information contained within this Application to verify information contained in this Application. On these bases, Alberta Innovates has deemed the contact

information for the Applicant, the Applicant Representative, and any named Project partners listed in the Application, the Project Title and the Project Summary all to be non-confidential and subject to disclosure by Alberta Innovates in its sole discretion at any time.

In addition, Alberta Innovates may aggregate information within this Application for the purposes of reporting or dissemination in the public domain. For clarity, 'aggregate' means removal of personal identifiers such as names, locations and addresses of the Applicant and employees and combining such information with that of other Applicants.

Financial Statements

In the attachments section, attach the last 3 fiscal year end financial statements (or all years if the organization was founded less than 3 years ago), as well as consolidated statements for the current fiscal year, up to and including the most recent completed quarter as prepared on an audited, or review engagement, or notice to reader basis. If such audited financial statements do not exist, then un-audited internally prepared financial statements for the same period must be attached.

In your submission, please include income statements, balance sheets, and cash flow statements for each period.

If applicable, discuss historical revenue, expense and capital expenditure trends or events that positively or negatively impacted the aforementioned:

Financial Projections

In the attachment section, attach the most current pro forma statement(s).

At a minimum, the statement should include capital investment requirements leading up to revenue generation and 3 years post-revenue; and forecasts for revenue and all operating costs. State all assumptions used to build the model including but not limited to financing sources, pricing and sales strategy, product costing and growth expectations. Alberta Innovates accepts that the complexity of pro forma financial statements will be in line with the stage of development of the Innovation.

What research has been used to validate the assumptions in the pro forma statement?

Business Plan

In the attachment section, attach your most current business plan.

A business plan is the company's roadmap for the next 3 to 5 years. At a minimum, the business plan should include an executive summary, company description, market analysis, competitive analysis, bios of management team and advisors including previous successes, operation plans, marketing and sales plans and financial plan (financials and proformas are attached separately). Standard business plan templates can be found on the web. Alberta Innovates accepts that the complexity of the business plan will be in line with the stage of development of the Innovation.

Representative Information

The Applicant Representative is an individual who is authorized to submit this Application on behalf of the Applicant. Alberta Innovates will only communicate with the Applicant Representative. Accordingly, any change of the Applicant Representative should be to an individual who has the authority and permission to see the Application and any attachments.

If the individual listed below is not the Applicant Representative as described above, you will need to register a new account with the individual intended to be the Applicant Representative.

Non-Confidential Summary

Project Title

Project Summary

This is a brief, non-confidential summary of the Opportunity, the activities to be performed during the term of a possible Investment and the anticipated outcomes. Do not include information which may be considered confidential as this summary may be used by Alberta Innovates for communication purposes. Confidential information can be provided in the remaining sections of the Application. (300 Words Max)

Innovation Opportunity

In this section, describe the proposed Innovation related to this Application.

Problem/Challenge To Be Addressed

Explain and quantify the seriousness of the problem/challenge, from a customer/end-user perspective, that this Innovation aims to address:

Consider describing any current actions/initiatives addressing the problem. (600 Words Max)

Description of the Innovation

Provide a detailed description of the Innovation and how it may resolve the problem stated above:

Consider including results from literature reviews, previous studies and/or previous use of the Innovation to support its viability as a solution, along with a description of its current status. Consider providing an explanation of the novelty or uniqueness of the Innovation, what it does, and where it could be applied. **If applicable**, you may include any images to help support your discussion of the Innovation Opportunity. These images can be uploaded at the end of the Application under the **Attachments** tab. (2500 Words Max)

Description of the Care Pathway and Workflow

Please describe the current care pathway and workflow in which the innovation will be used, and how the innovation is proposed to impact the workflow. This includes the flow of time, money, services, people, and materials. Please consider attaching a flowchart to answer this question.

Identify the Technology Readiness Level (TRL) of the Innovation:

Intellectual Property

Intellectual property (IP) types in this section include patents, trademarks, trade secrets, copyright and data.

Describe the existing intellectual property relating to this Innovation (add rows as needed):

IP Type	Number	Legal Owner (may not be the same as the inventor)	Title/Description

Describe the Applicant's use rights if the Applicant is not the owner of the existing IP:

(150 Words Max)

Describe any IP that may compromise the Applicant's freedom to operate or why other IP is not an issue:

(150 Words Max)

Describe the strategy for management and protection of the new IP expected to be generated from the Project:

(150 Words Max)

Market Opportunity

For the following questions, provide supporting assumptions and/or calculations to qualify the information provided.

Describe the target market (e.g., customer type, geographic regions, etc.) for the Innovation, including possible secondary market opportunities:

Consider providing the Total Addressable Market (TAM) and Serviceable Addressable Market (SAM) for your Innovation, as well as providing references for any research you conducted to determine the market size. (800 Words Max)

Describe, compare and contrast your closest direct and indirect competitors:

Consider comparing your Innovation and/or business with your competitors. **If appropriate**, you may attach a Competitive Analysis table. This table can be uploaded at the end of the Application under the **Attachments** tab. (1500 Words Max)

Describe the Innovation's value proposition and how you have validated interest to pay for and/or adopt the Innovation by potential customers/end-users:

Consider the value proposition for the paying customer, early adopters and other end-users. What measurable health outcomes will be used to support the innovation's intended claims and value proposition? (1000 Words Max)

Proposed Commercialization Pathway

Describe the pathway and resources needed to advance the Innovation Opportunity to achieve market readiness and/or adoption, including the estimated timeframe and what research and/or development remains to be completed:

Consider pathways such as technical, business, financial, regulatory, etc. Also consider the internal skillsets or operating capabilities within your organization (e.g., physical, intellectual and human inputs, infrastructure, equipment, information technology, etc.) that are currently missing and that are needed to make the Innovation a success. Consider how the technology solution will be scaled and commercialized, both in Alberta and for export. (600 Words Max)

Describe the major business, financial and technical risks that could arise along the commercialization pathway and what can be done to mitigate the risks:

Consider any legal, regulatory, development, market, and/or business model risks. When describing the risks, focus on addressing the pathway risks, as the Project-specific risks will be addressed later in the Application. (800 Words Max)

Will the Innovation require regulatory approval through an authority such as Health Canada, FDA, or European Commission?

Please justify your selection above for initial each target markets. If the innovation is regulated, what is the expected regulatory classification and preliminary intended use? If applicable, what are the comparables/predicates? If you have a regulatory opinion letter, please attach on the Attachments tab (Supporting Documents). (300 Words Max)

Project Overview

Provide an overview of the Project, including the methodology, main objectives, deliverables and anticipated outcomes:

(2800 Words Max)

Describe how the Project fits within the Applicant's business strategy:

Budget Expenditures and Resources

Provide an explanation/justification of the Project budget expenditures:

(600 Words Max)

Identify the facilities/infrastructure, equipment, and other resources that will be utilized to complete the Project:

Consider discussing how the resources will contribute to the Project success and highlight any unique features. (600 Words Max)

Project Risk Analysis and Mitigation

In the Risk Analysis table below, identify the key Project risks that have the potential to adversely affect the Project achievability (add rows as needed):

Key Project Risks	Describe the Risk	Mitigation Strategy
--------------------------	--------------------------	----------------------------

Impacts

Describe the direct and indirect economic impacts to Alberta as a result of this Project and those reasonably expected from successful commercial deployment of the Innovation:

Consider areas such as jobs (i.e., new jobs, retraining, development of highly skilled qualified personnel, etc.), sales, improved efficiencies, development of new commercial opportunities, new industrial infrastructure or new economic sectors, attraction of new investment, and increased exports. (300 Words Max)

Estimate the number of full-time equivalent jobs created within Alberta:

**During the term of the
Project:**

**Five years after the
completion of the
Project:**

**Reasonably expected five
years after commercial
deployment:**

Identify how this Opportunity and its outcomes will impact the health and well-being of Albertans. Information provided should be specific, quantitative, and attached to expected timelines and projections:

This should include specific identification of the population and/or the clinical setting(s) that will be impacted. From the operational perspective, this could include improved efficiencies, economics or occupational health and safety factors. For populations, outcomes could include improvement in quality adjusted life years or any other metrics relating to the health concern being addressed. (500 Words Max)

CONSENT AND DECLARATION

By submitting this Application, including any supporting documentation, I, in my capacity as the authorized Representative of the Applicant, legally represent for and on behalf of the Applicant that:

1. the Applicant provides its explicit consent to the disclosure of the information identified as non-confidential by Alberta Innovates in its sole discretion;
2. the Applicant Representative is legally authorized to submit this Application for and on behalf of the Applicant and has the requisite power to legally bind the Applicant;
3. the Applicant Representative has read and understands the Program Guide;
4. if the Program requires that you provide financial statements, and if the statements attached to this Application are unaudited internally prepared financial statements, the Applicant certifies that financial statements prepared on an audited or review engagement basis were never prepared for the period ended as at the immediately prior fiscal year end of the Applicant;
5. the Applicant meets all the eligibility requirements for an Investment under the Program as set out in the Program Guide;
6. the Applicant acknowledges and agrees that it or its Service Provider(s) may be ruled ineligible to receive Alberta Innovates' funding if due diligence reveals the Applicant or Service Provider(s) are transacting with a prohibited entity under Canadian or international sanctions laws, or an entity domiciled or conducting activities in a sanctioned territory;
7. the Applicant declares that it is not aware of any real, perceived or potential conflicts of interest, and will advise Alberta Innovates if such a conflict arises during the Application process and term of the Investment, if the Application is approved;
8. the Applicant agrees and consents to Alberta Innovates contacting the individual(s) or company(s) listed as customer(s) or Project partner(s) in this Application as part of Alberta Innovates' evaluation of the Application;
9. all information contained in this Application including but not limited to the Project and supporting documentation, is true and accurate;
10. the Applicant acknowledges that failure to provide true and accurate information in this Application will result in automatic rejection of the Application;
11. submission of this Application does not obligate Alberta Innovates to make an Investment in the Project and Alberta Innovates has sole and absolute discretion in making its Investment determination;
12. if this Application is approved, Alberta Innovates and the Applicant must execute an Investment Agreement, which provides additional contractual terms and conditions governing the Investment made by Alberta Innovates, to the Project before Alberta Innovates will advance funds; and,

13. neither the Applicant, nor to the knowledge of the Applicant, any service provider or project partner, has paid or agreed to pay either directly or indirectly, any contingency fees for the solicitation, negotiation, or obtaining of Alberta Innovates funding, to any person including a broker, consultant or advisor. "Contingency fee" means any payment or other compensation that is contingent upon or is calculated upon the basis of a degree of success in soliciting or obtaining Alberta Innovates funding. It is Alberta Innovates policy that any applications that involve the payment of a contingency fee will be rejected.

I confirm the truth of all statements made by me in this Application, and agree to all of the terms, conditions, responsibilities and obligations as set out above.

I confirm

INFORMATION SHARING CONSENT

Alberta Innovates is requesting your permission to share information contained in this application with our trusted third parties, for the following purposes. Alberta Innovates is a Provincial ("Crown") Corporation. It is a steward of public funds and is therefore accountable to its ministry to report on key performance indicators, deliverables, and outcomes achieved through its grants funding. It uses robust internal performance management, evaluation and impact assessment tools to do so, but often requires the assistance of others. To that end, by checking the box below you give Alberta Innovates permission to share information contained within this application with third parties on a strictly confidential basis for the purposes of performance management, evaluation, impact assessment, reporting, and monitoring of outcomes, or for a substantively similar purpose. Your consent is voluntary and can be withdrawn at any time.

Yes, I consent

SEARCHES OF PUBLICLY AVAILABLE RECORDS

Alberta Innovates invests public funds in the projects it supports. As a steward and custodian of public funds, Alberta Innovates undertakes routine due diligence on all applications. This due diligence may include corporate, bankruptcy and litigation searches.

Alberta Innovates requests your consent to conduct similar or related searches on the Applicant company's principals (eg. founders, senior management, officers, directors, shareholders). Your consent is voluntary, however the failure to provide consent may impact our ability to gather information Alberta Innovates needs to make reasonable and informed decisions. All information is collected pursuant to section 33(c) of Alberta's Freedom of Information and Protection of Privacy Act.

APPENDIX A - ATTACHMENTS

The following pages are composed of PDF uploads the Applicant has attached to this form. Documents that are not in PDF form, or that Alberta Innovates has deemed to contain sensitive information are listed below, but are not attached. Those documents are still a part of the Application and are viewable on the Submission Portal.

These uploads are (in order):

INSTRUCTIONS ON HOW TO USE THIS SPREADSHEET

Version 2 - Oct 2020

The purpose of this Workbook is to collect important work plan and financial details related to the Project. Below is a colour coding scheme to guide the Applicant and short descriptions of the four (4) working tabs contained within this Workbook.

This color cell:	Contains instructions for the Applicant and is used for table headings. DO NOT MODIFY these cells.
This color cell:	Contains formulas to auto-calculate numbers. DO NOT MODIFY these cells.
This color cell:	Is a null cell with no data. DO NOT MODIFY these cells.

This color cell:	Requires the Applicant to select a response from the drop down menu.
This color cell:	Requires the Applicant to complete the cell by providing information.

Summary - DO NOT MODIFY

This tab contains summary tables of the Work Plan, Budget Forecast, and Project Revenue Forecast tables.

Work Plan

This tab contains tables that break down project tasks and deliverables by milestones or years. There are formulas within these tables. Budget costs are calculated in the Budget Forecast tab and will automatically appear in the Work Plan tab.

Budget Forecast

This tab contains tables that outline project expenditures by milestones or years. There are formulas within these tables. Milestones or years are transferred from the Work Plan tab.

Revenue Forecast

This tab contains tables that outline project revenues that will be contributed by the different project partners. There are formulas within these tables.

SUMMARY

Note:

DO NOT MODIFY or TYPE any information into this tab. All cells contain formulas that copy information from the other tabs and they fill in automatically. Typing in this sheet will override the formulas.
